2012
BACHELOR, VUZF UNIVERSITY
Bachelor`s degree, Accounting

LANGUAGES:

- Bulgarian (Native)
- English

HOBBIES:

- **WEB DEVELOPMENT ENTHUSIAST**

    I have a strong passion for web development, and I'm actively working on enhancing my skills. In my free time, I enjoy exploring web technologies, practicing coding, and building personal projects. This dedication to continuous learning is a fundamental part of my journey as a junior web developer.

- **TAKING STROLLS IN NATURE**

    I enjoy leisurely walks in nature, which allows me to unwind and connect with nature.

- **BOARD GAMES WITH FRIENDS**

    I have a passion for playing board games with friends. This hobby help me for my strategic thinking, and problem-solving skills, enhancing my ability to work effectively in a team.

- **COMPETITIVE GAMING**

    I also have an enthusiasm for competitive gaming, particularly games that require strategic thinking and a competitive spirit. This hobby not only provides entertainment but also hones my focus, decision-making, and goal-oriented mindset.
